

Information on entry to Thailand during the COVID-19 pandemic

From 1 May 2022, the Test and Go, Sandbox and Alternative Quarantine entry schemes will be discontinued. The requirements and conditions for entry to Thailand will be determined by the traveller's vaccination status as follows;

Air travel

(1) Fully vaccinated travellers

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**, **vaccination certificate**, **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- COVID-19 test is not required for both pre-departure and after arrival in Thailand. However, self-ATK test is recommended for symptomatic and high-risk travellers.

(2) Unvaccinated/partially-vaccinated travellers

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**; 5-day **AQ hotel booking** including an RT-PCR test (For AQ hotels see <http://hsscovid.com/>); **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- Undergo a 5-day quarantine and take an RT-PCR test on day 4-5 (pre-departure COVID-19 test is not required)

- Self-ATK test is recommended for symptomatic and high-risk travellers

(3) Unvaccinated/partially-vaccinated travellers who do not want to undergo a quarantine

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**; **negative RT-PCR test result** issued within 72 hours prior to departure; **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- COVID-19 test is not required after arrival in Thailand. However, self-ATK test is recommended for symptomatic and high-risk travellers.

Land travel

(1) Fully vaccinated travellers

Using Passport

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**; **vaccination certificate** (for fully-vaccinated travellers) **or** 5-day **AQ hotel booking** including an RT-PCR test (for unvaccinated or partially-vaccinated traveller); **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- Can travel to all parts of Thailand
- COVID-19 test is not required for both pre-departure and after arrival in Thailand.

However, self-ATK test is recommended for symptomatic and high-risk travellers.

Using Border Pass (Only permitted at international points of entry)

- Registration on Thailand Pass and health insurance are not required.

- Vaccination certificate

- Non-Thai travellers may travel only within the province which they enter into (Except for Nong Khai Province, non-Thai travellers can travel as far as Mueang District of Udon Thani Province). Thais can travel to all parts of Thailand.

- Non-Thai travellers may stay in Thailand up to 3 days (2 nights).
- COVID-19 test is not required for both pre-departure and after arrival in Thailand.

However, self-ATK test is recommended for symptomatic and high-risk travellers.

(2) Unvaccinated/partially-vaccinated travellers

Using Passport

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**; 5-day **AQ hotel booking** including an RT-PCR test (For AQ hotels see <http://hsscovid.com/>); **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- Undergo a 5-day quarantine and take an RT-PCR test on day 4-5 (pre-departure COVID-19 test is not required)

- Self-ATK test is recommended for symptomatic and high-risk travellers

Using Border Pass

- Unvaccinated/partially-vaccinated travellers are not permitted to use a border pass to enter Thailand.

(3) Unvaccinated/partially-vaccinated travellers who do not want to undergo a quarantine

Using Passport

- Register on Thailand Pass (tp.consular.go.th). Required documents are: **passport**; **negative RT-PCR test result** issued within 72 hours prior to departure; **health insurance** with a USD 10,000 minimum coverage (can be purchased at <https://covid19.tgia.org>) (not required for Thai nationals).

- Can travel to all parts of Thailand

- COVID-19 test is not required after arrival in Thailand. However, self-ATK test is recommended for symptomatic and high-risk travellers.

Using Border Pass

- Unvaccinated/partially-vaccinated travellers are not permitted to use a border pass to enter Thailand.
